FACTS AND STATS:

Dr. Gaskill obtained his B.A., M.A., and Ph.D. in psychology and school psychology from the University of North Carolina at Chapel Hill. With his internship through the Devereux Foundation of Pennsylvania, Dr. Gaskill has served as a clinician as well as the Senior Research Psychologist for the Devereux Foundation serving the treatment outcome research needs for over 15,000 patients across the country.

Dr. Gaskill is a founding and managing partner at Southeast Psych. He serves children, teens, and families who struggle with a variety of emotional and behavioral difficulties. "Dr. G" is a member of the private schools admissions testing team (CAIS). He provides a practical and solution-focused approach. Specific areas of interest include Aspergers, the role of technology in children's lives, defiant and anxious children, and families experiencing divorce. Parents play an active role in his work.

FUN FACTS!

A STAR WARS FANATIC (SEEN IT 450 TIMES!)

THINKS ASPERGERS IS COOL!

KNOWS VIDEO GAMES ARE ACTUALLY
GOOD FOR KIDS

BELIEVES THE TARHEELS NEVER LOSE

ISAAC ASMIOV MADE HIM A
PSYCHOLOGIST!
