FACTS AND STATS:

Nick serves individuals, couples, and families with a wide variety of concerns. He primarily works with depression, anxiety, and secondary stress relating to school, work, marriage, and family systems. Nick also offers spiritually integrated treatment, as well as therapy for frontline helpers and caregivers.

Areas of concentration include Marital difficulties, Divorce, Parenting and Family issues, Cancer, Grief, Death, Mood Disorders, and Secondary Stress/Vicarious Trauma among caregivers and leaders (nurses, emergency medical professionals, pastors, clinicians, etc.). Nick also serves Southeast Psych clients through groups, training development and assessment.
