

Molly M. Wittig, Ph.D.

Psychology for All

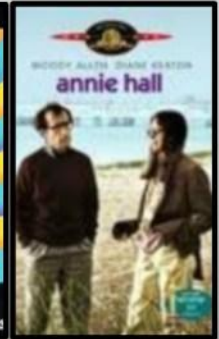

SOUTHEAST
PSYCH

GO LSU AND
GO SAINTS!

FAVORITE MOVIES...

CHILDREN & PARENTS

FACTS AND STATS:

Dr. Wittig enjoys working with children ages 2 to 12. Her concentrations include anxiety, Asperger's/Autism, ADHD, behavior management, early child development, developmental delays, psychoeducational/psychosocial assessment.

Dr. Wittig also serves as a member of Charlotte Area Independent Schools (CAIS) and taught psychology at Queens University.

Dr. Wittig enjoys quirky fun kids who need some direction, encouragement and support and believes families are important partners in her therapeutic approach. She loves to laugh and learn with her clients...

FUN FACTS!

LOVES THE HARRY POTTER
SERIES AND SPIDERWICK
CHRONICLES

LOVES HER YOUNG SON AND TWO
LABS - COSMO AND SPECIAL
AGENT JACK BAUER

PAINTS AND SCULPTS IN HER
SPARE TIME

AND SHE THINKS ROBOTS
SHOULD BE MORE INVOLVED AT
THE OFFICE!
